Meeting Discussion -

1. Amartya and Devishi provided solutions on the aspect of community funding by a targeted population in an area with water problems.
 - a) Talking under this we discussed collaboration under various initiatives.
 - b) Advocating for reforms in the already existing schemes of the government, such as Pradhan Mantri Awaz Yojana.
2. Formation of separate committees would not create any difference in implementation.
 - a) We need to collaborate with UN organisations, such as UNEP.
 - b) Recommend reforms and host audits, for international organisations of specific countries to work on a decentralised approach, on a set of targeted populations.
3. Next point was on awareness. Adopting a river bank policy, will be under Yogesh sir's Dhanwapur project. We will list out the features and various prospects of the project.
4. More research is to be done on our solution of government schemes, which would be discussed in the next meeting.
 - a) The research must be precise by focusing on a specific strategy.
 - b) Our next meeting will be long working on all the probable solutions and carving out specific strategies, with the input of everyone. So, all the members must be present in the next meeting.
 - c) A structured interview will be conducted on the mentors of our project. Various approaches will be planned out for our contribution with the society towards the water problem.
