Agenda - Implementation of the proposed solutions.

Meeting Discussion -

1. Proposals to be approved by the teachers -
 - a) Theatre fest for primary wing on the topic of water conservation.
 - b) Creating a journal on water conservation for primary wing students.
2. From Hayal ma'am's mail - Meeting with Hayal ma'am will probably be on 9th March 2022, Saturday at 7:00 PM. Thus, implementation of the proposed solution will be taken up in these 7 days of time frame.
 - a) Community solutions could not be implemented due to government involvement, thus they are simple suggestions.
3. While we implement the solutions, Giri needs to click pictures which could be uploaded on the website of Aqua Strategists.
 - a) Ishikawa diagram to be also inserted in the website.
