Agenda - Reviewing the Progress Made till Date and Apprising Hayal Ma'am with the Same

Meeting Discussion -

1. Manya Srivastava presented the Power Point Presentation made by the team via screen share and explained the overall progress made by the team by describing all the stages of the project.
2. Hayal Ma'am suggested adding an economical flushing system adopted in South Africa in the category of individual solutions, and said she would share the details of the same with the team.
3. Manys informed Hayal Ma'am about the solutions that the team decided to implement and shared the step by step procedure of implementation. The team decided to plan activities like poem writing, collage creation, journaling, and quizzing to engage students of the primary wing.
4. Devishi Aggarwal described the methodology of data collection used by the team, and explained some of the key takeaways from the results of the survey.
5. Priyanshu Singh shared the ICT Seagulls Project 19 website with Hayal Ma'am, and took her on a tour to the same.
6. The meeting ended on a positive and fruitful note.
